

THE ASSOCIATION OF CARAVAN CLUBS WA

Welcome to our October 2023 issue.

What else is on our minds but the so successful Pingelly State Rally enjoyed over the weekend of 12-16th October.

179 caravans/ the RV's committed to attend from 26 Clubs with 307 members registered and nearly all of them made it. Many of them were first time State Rally attendees and from the feedback reports collected they were among the 100% of attendees who said the Rally met their expectations – or exceeded them. What a wonderful result.

Thanking Redgum Caravanners for managing this State Rally on behalf of ACCWA.

There were some standout compliments – the CCC Café, a new innovation was highly popular, the parking layout efficient, water supply to nearby vans appreciated, a full programme and the Town festival whilst the sheep dog trials were in progress all made it a memorable event.

For the first time we could provide power for medical support to twelve sites and a ramp made by the Shire of Pingelly for easier access.

Music for all ages on different nights and meals to feast on direct from the Bistro. What a busy weekend. Compliments came from many members and are being compiled.

Suggestions received for the future include:

Adding a quiz and / or bingo night

Quiet music night with perhaps some old time or line dancing

More time to relax at mealtimes.

An improved external public address system

No two events at the same time

Similar facilities as the Pingelly Recreation and Cultural Centre

Delegates Meeting held on 12th October.

Attended by 105 members and the minutes, just circulated cover the issues raised.

AGM Wednesday 6th December at the Willetton Sports Centre function room.

Note the date please. 6pm start and supper with bar open at 5pm.

Support our Advertisers - they often are not aware you are an ACCWA member when you go to them.

Enjoy your travels and thank you for supporting your ACCWA committee members as they are doing a wonderful job supporting ACCWA in our endeavours to give our Clubs the best information and opportunity to be out and about with friends on a regular rally programme.
