

2023 WA State Rally Pingelly October 12-16, 2023

Newsletter No 2 February 2023

Pingelly Recreation and Cultural Centre (PRACC)

Registration is Open

The registration form for the Rally is contained in the second page of this newsletter.

We have released it earlier than originally planned as many ACCWA members are heading east for the National Rally at Barmera and we wanted them to have the opportunity to complete their registration prior to their departure.

ACCWA will be holding a meeting on the Thursday evening so members can attend the Committee and Delegate meeting. Early entry will be open for those wishing to attend. More information will be provided in future communications.

Food options have not been included in this registration form as discussions are not finalised with the onsite Bistro. Details of the available meals and nights will be in future communications. In any case it is a bit early to try and work out what you want to eat in 7 or 8 months time.

Details of games and activities will be provided in future newsletters as the schedule develops. We are also discussing a van weighing service.

Come to wonderful Pingelly and have a great time.

Want A Break From Cooking

The PRACC has an onsite Bistro which serves nice, reasonably priced meals.

Discussions are underway to provide a limited menu for meal purchases on Thursday and Saturday evenings.

Menu details will be made available in Aug/Sep so you can make your selection.

Pingelly Festival

Pingelly has plans underway for a festival of Flowers, Art, and Music on the Saturday of the rally.

They are anticipating displays of flowers, local artisan products, food markets, pop up music and food trucks.

At present the full details of these are not known which has had an obvious impact on creating a rally schedule. We will know more as we get closer to the date, however this should add some interesting activities to the calendar for the weekend.

Evening Schedule

The current evening schedule is:

Thursday	ACCWA Delegates meeting, Finger food, Possible purchase of dinner
Friday	Rally Opening: Happy hour, Finger Food, Light Entertainment

Coffee, Company & Creativity

We will have a wonderful area to relax.

Come along to our DROP-IN Centre in the PRACC and grab a free cup of great coffee or tea, read the newspaper, have a chat and relax. Open every day of the Rally. Great place to catch up with friends.
